

## Credit Transfer Application Form

MCBT recognises qualifications and statements of attainment issued by other Registered Training Organisations under the Australian Qualifications Framework. When submitting this application, students must submit with this application certified copies of Statements of Attainment or Qualifications and Transcripts to support credit for Units of Competency already gained or if they are unable to provide us certified copies of the statement of attainment and certificates, they must give MCBT permission to verify their documents from their previous RTO's. This form can also be completed where students are advancing through to a higher qualification having completed required units from a previous qualification or a combination of previous qualifications. If you require any assistance in completing this form, please contact Student Services.
